ONOMICHI

Bella Vista Spa & Marina Onomichi is a small 45-room luxury spa resort located at the heart of the Setouchi region. This world-class destination in western Japan is home to distinctive cultural and culinary heritage and a stunning scenic landscape of small islands that dot the calm waters of the Seto Inland Sea.

■ Concept

○ Bella Vista's story

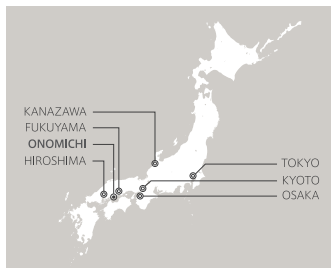

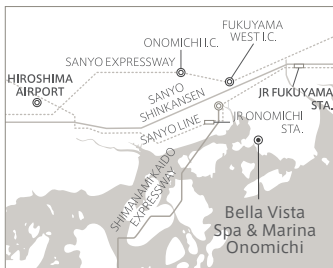

Bella Vista means "beautiful view" in Italian and offers unparalleled vistas of the island-speckled sea that has carried trade and travelers for centuries. We hope that our refined and friendly hotel will be treasured by visitors from around the world as a piece of the scenery and culture of this unique region.

○ Setouchi Kilometer Zero

Setouchi Kilometer Zero is a central concept of our hotel based on local production for local consumption. Guests at Bella Vista can enjoy superb elements of Setouchi, from fresh seafood caught offshore and prepared alongside locally-harvested ingredients, to unique amenities, fabrics and furnishings produced in the region.

■ Location

Bella Vista Spa & Marina sits atop a hill along the coast in between the two destinations of Onomichi and Tomonoura, both recognized for their history and culture as Japan Heritage sites. Onomichi is a picturesque hillside city that hugs a narrow channel of the Inland Sea in Hiroshima Prefecture. Tomonoura, to the southeast, is a small port town that flourished as a vital link in the trade network of the Setouchi region in feudal times.
