Bella Vista Spa & Marina Onomichi is a small luxury resort at the heart of the Setouchi, a world-class destination in western Japan. This region has long been celebrated for the scenic beauty of countless islands that dot the calm waters of the Seto Inland Sea, home to distinctive cultural and culinary heritage. Atop a hill overlooking the peaceful landscape, feel the embrace of the mountains and the sea as you unwind and enjoy Setouchi's delights.

Beyond the main entrance, emerge onto the deck where the water basin and refined design frames the beautiful view — "Bella Vista" in Italian. A special time begins as you gaze at the slowly shifting expanse of sea, sky and islands stretching toward the horizon. Here is a one-of-a-kind hideaway — a world away from the Japan you know, yet familiarly Japanese.

In our inviting, cozy spaces, you'll find the refinement you expect from a luxury resort and the friendly hospitality only a small hotel can offer. Bella Vista began as a guesthouse for clients of the local shipbuilding company in 1973. Over the years, we hosted many distinguished guests from around the world before re-opening as a resort hotel in 2007. Even as we continue to evolve today, our hospitality remains rooted in this legacy.

ACCOMMODATIONS

All of our 45 ocean-view rooms overlook the scenic landscape, where islands large and small fade into the distance and boats glide across the placid waters. Each of the eight spacious guest room styles exceeds 50 square meters.

Tasteful furnishings and special Setouchi touches ensure a comfortable stay, from the refinement of the custom-designed hotel robe and denim cushions to the original bathroom amenities that evoke the dynamic and spicy fragrance of the sea, wind and forest. The denim teddy bear who waits in greeting on your bed is sure to make your Bella Vista experience even more memorable.

The Bella Vista Maisonette Spa Suite (All)

Close to one in three rooms at Bella Vista are spacious suites. Each of the five suite styles offers a distinctive way to enjoy the scenery of Setouchi.

The Bella Vista Maisonette Spa Suite is our signature suite. A canopy bed fills the two-story bedroom, where gentle rays of light illuminate the wood-paneled walls. Guests can luxuriate in a panoramic bath overlooking the sea and enjoy wellness treatments in the private spa on the upper floor of the suite.

In another suite, The Bella Vista, fully half of the space is given over to an expansive open-air bath filled with Setouchi citrus that lets you delight in the luxury of slowly passing time and ever-changing scenery.

DINING

Among the greatest pleasures of travel is encountering food unique to a destination. Our hotel embraces a philosophy that we call Setouchi Kilometer Zero in everything we do. Each of our three dining experiences offers cuisine that is rooted in local tradition and made with the freshest Setouchi ingredients, including the abundant fish that gather in the Inland Sea, fruits and vegetables that thrive in the warm climate, and seasonings harvested on-site.

Distinctive cuisine enlivens the entire Bella Vista experience as each chef brings these discerning ingredients to life with their own unique flourishes.

Erretegia kitchen & dining

Erretegia is Bella Vista's main dining experience, taking its name from a Basque word for the style of grilling done in the kitchen's large wood-fired oven. The Basque-trained chef harnesses the flames to unlock the potential of locally-raised *wagyu* beef and seasonal game, and create uncomplicated dishes with simple, bold flavors.

Diners can enjoy their meals next to the lively open kitchen, or in the serene dining pavilion facing the infinity pool and the sea.

Sushi Sobo

Just outside the main building sits our sushi bar, Sushi Sobo. This exclusive *omakase* dining experience welcomes just eight guests each evening at its elegant counter perched above the sea. The sushi chef, who trained in a top Ginza restaurant, artfully prepares local fish in a distinctive Setouchi style. Uncommon tastes and unique touches are sure to delight even the most seasoned connoisseurs.

Dinner 5:00 p.m. – 8:30 p.m. (L.O.)

Setouchi Sobo

The chefs at Setouchi Sobo use traditional methods to bring out the flavors of the most delicate local ingredients for a memorable Japanese dining experience. Exquisite tableware and the pleasing sounds and smells that emanate from the open kitchen stimulate all the senses. Every morning, the breakfast buffet features a lineup of around 20 seasonal dishes.

Activity

Bella Vista inspires your wanderlust with a mixture of quiet moments and active experiences.

Enrich your stay with activities that range from early morning or evening yoga on the Deck to stargazing through a poolside telescope.

In the summertime, hotel guests can visit our private beach on an island just a few minutes offshore to enjoy an outdoor lunch and swimming, or savor the view of the sea and the sky in Bella Vista's infinity pool.

Memorable Moments

As you wait for dinnertime to arrive, stroll the grounds to the Ribbon Chapel designed by architect Hiroshi Nakamura. The chapel's two interlocking spiral staircases hold each other up to create an unusually graceful and light structure with panoramic views from the top. Later, share a special moment under the starry sky around the fireplaces on the Deck, or follow dinner with a nightcap cocktail that glitters in the shadows of our hidden bar, THE DARK.
